

## Special Features:

- Made from synthetic nitrile rubber. Protein-free.
- Free of accelerators like thiazoles, thiurams, carbamates, thioureas and guanidines that could possibly lead to chemical allergies.
- Strong tear, puncture and chemical resistance.
- Best recommendation for users with hypersensitivity syndrome.
- Green color. Ideal as a puncture alert when double gloving.
- Penetration of Phi-X174 Bacteriophage tested with ASTM F 1671.
- Pass Regulation EU 2016-425 PPE Module B.

## Product Specification Ref. 6610

Product Description	<b>Nitrile Surgical Gloves, powder-free, green color, latex-free, without sulfur and accelerator, ideal as an under glove when double gloving, wet donning, anatomic shape, beaded cuff, textured surface in the grip area, size embossed, sterile.</b>
